 **Energy Efficiency Chatbot**

 Hello! I'm your AI assistant for energy efficiency.

Type the name of an appliance (e.g., fan, ac, fridge) or type 'start timeline' to begin.

 Appliance: FAN

 Power Usage: 75W

fan

👋 Hello! Ask me about any appliance like fan, tv, oven, etc.

fan

⚡ Fan (75W): Use instead of AC when possible.

ac

❄️ AC (1500W): Set to 24°C and enable energy-saving mode.

Appliance name...
